This meeting was a follow up of the public meeting held on Friday 11th May.

HOUSING

DB and IC had received felt that residents had been quite positive and no objections.

- The owner of the land rear of 19 Mundays Boro had withdrawn their offer of affordable housing on their site.
- There had been some misconception about when the affordable housing would be built.
- Someone had asked what was happening with Home Farmhouse.

RG reported to the group that feasibility plan needs to be done regarding Home Farm Barns. This of course costs money, which could be funded by Community Land Trust.

JG commented that a consultation document with summary of evening should be produced as evidence for the examiner.

TRAFFIC

SMC produced key proposals which had been amended following the 11th May meeting.

Feedback from the public meeting was overall very positive.

SMC suggested that the position of the speed tables should be

- By field belonging to P Schweitzer
- After Mundays Boro and before Dark Lane

The group agreed

SMC also felt that the car park and recreation plan should go together and suggested that there should be a working party in regard to the car park.

RECREATION

Very positive

DESIGN
