Guildford's Heritage Open Day weekend is coordinated by Guildford Borough Council, and supported by many local voluntary groups, charities, churches and businesses across the borough. We hope you enjoy the varied and interesting programme of walks, tours, exhibitions and buildings. For full details of each event/activity including opening times, booking conditions (if any) and addresses, please visit www.guildford.gov.uk/HOD2022

Details correct at the time of printing.

Charles Stanley Wealth Managers are proud to support Guildford's Heritage Open Day weekend. Our focus on clients has endured since the foundation of Charles Stanley in 1792, a heritage that has helped to make us one of the UK's leading Wealth Management firms. Through award-winning discretionary investment management, the Guildford team are passionate about helping our local community better understand and take control of their financial situation.
