

## Puttenham Parish Council

### **20mph Village Speed Limit**

Surrey County Council have now confirmed, that the new 20mph speed signs will be installed before the end of March. These signs will be placed on all of the 3 roads leading in and out of the centre of the village.

### **Cemetery**

Following the recent storms a very large tree from the golf club land fell across the southern border of the cemetery and crushed a number of very old headstones, graves and fence. We are endeavouring to make contact with the relatives but in the meantime the headstones are being made safe and reassembled.

### **HALLOW - Orchard Tree planting**

At the end of February we will once again welcome back the children and youths from the HALLOW charity, who are coming to plant a second line of fruit trees in the Jubilee field and also on Puttenham Downs.

### **ARCT**

We would like to thank the volunteers from The Amphibian and Reptile Conservation Trust who came and completed the winter clear- up of the new dew pond on Puttenham Downs. They also made safe a number of trees surrounding the dew pond which is located next to the forest school.

### **Parish Precept**

Unfortunately due to Guildford Borough Council's financial situation, GBC are now passing on the cost of collecting the waste from the dog poo bins together with other inflationary costs. This means we have no choice but to increase the precept to cover these additional costs.

### **Reminder - The New Community Village Transport Hub work commences Monday 4<sup>th</sup> March**

**The construction work will begin on Monday the 4<sup>th</sup> of March** for our new transport hub and will last for up to 3 weeks. During this time the lane, car park, adventure playground, skate park, tennis court and outside gym will all be closed for safety reasons.
