

Proposed nursery at Puttenham Church of England Infant School

We would like to hear your views

Puttenham Church of England Infant School is excited to explore the possibility of opening a term time nursery/pre-school for children from two to four years old.

Our plan is to open a nursery for a maximum of twenty children as part of our commitment to providing a high quality education to our community. A nursery will also ensure long-term sustainability for your local village school.

The nursery will be part of the Foundation Stage enabling children to benefit from the expertise, environment and smooth transition between the nursery and reception class.

The DFE are supporting schools to open nurseries within their setting due to the many advantages this will have for the children. We aim to secure funding to adapt a class to provide a highly equipped nursery space for the children. They will also benefit from using the school grounds, outdoor area, playgrounds, forest school and hall.

We would love to hear your views about our proposal to ensure our decision reflects the community's interest and needs.

Please use the following link to complete the short survey:

<https://forms.office.com/e/LKDNEzUV07>

or email the school office info@puttenham.surrey.sch.uk for a link.

Please complete the survey by Monday 5th January 2026.

We look forward to hearing from you.
